Ten-year liability for production defects.

For a period of ten years, Benders Sverige AB is liable for production defects in Benders-produced products in the Landscaping, Natural stone and Infrastructure ranges.

The liability period runs from when the vendor or contractor supplied the products. For further details, see "Materials guarantee – Benders-produced products" (document).

Any claim shall be submitted, in writing, to Benders Sverige AB within reasonable time and no later than one month after expiry of the liability period. If this does not happen, Benders Sverige AB has no liability for the defect.

Please also refer to the general conditions for the purchase of goods intended for commercial construction activities (ABM 07) as supplemented by Benders' special sales and delivery terms and conditions.
